

Summer Camp *for* Burn Injured Youth

August 11th – 17th, 2019

Fun. Friendship. Support.

Burn Camp is a place where young burn survivors can be kids and have fun while creating a sense of community and a network of support that can last a lifetime.

Even better, because of the generous support of countless individuals and organizations, *we are able to provide Burn Camp at no cost to burn survivors* or their families. We do accept tax-deductible gifts. Please contact us to get involved.

EXPERIENCE
BURN CAMP ON
VISITOR'S DAY
Aug. 15th, 2019

The fire truck parade starts at 10:30 am; so get there early to reserve your seat. Lunch is offered at noon followed by a program as well as check presentations from our generous supporters. Afterwards, stick around for our carnival and an optional caregiver support group.

Smiles Over Scars: The Value of the Camp Experience.

"Burn Camp is a life changing opportunity for burn survivors. During my time at camp I learned that I am not a victim of my circumstances, but that I am a victor."

—Sam P. (camp graduate / camp staff)

Children who attend camp can use the camp experience to share their emotions and stories in a safe, nurturing, fun environment. Also, while participating in the variety of summer camp activities, children gain social confidence and the ability to better cope with the challenges that can be caused by their burns.

Our Burn Camp Staff is 100% volunteer and comprised of firefighters, teachers, medical professionals, burn survivors, and many others who help make a difference in the lives of these young survivors.

➔ Please Contact us to:

- Refer a burn survivor who could benefit from our programming
- Get involved as a volunteer or supporter
- Make a monetary or in-kind gift
- Discover more about what we do or for more information

**PROFESSIONAL FIRE FIGHTERS
OF WISCONSIN CHARITABLE
FOUNDATION**
321 East Main Street, Suite 200
Madison, WI 53703

Burn Camp takes place at Camp Timber-lee in East Troy, WI. With over 600 acres, a private lake, and countless activities, Timber-lee's vast campus provides one of the best summer camp experiences Wisconsin has to offer.

**WORKING TO CREATE A FIRE-SAFE
AND BURN-FREE WISCONSIN**

Professional Fire Fighters of Wisconsin CHARITABLE FOUNDATION is proud to be a continuation of the Wisconsin Alliance for Fire Safety. We are a 501(c)(3) public charity working to create a fire safe and burn free Wisconsin by promoting, encouraging, and fostering fire safety, burn prevention, and public safety education. We support burn survivors of all ages, fire fighters, and the communities they serve.
